

What is ADS-B?

ADS-B OUT, ADS-B IN, what are the differences between the two systems? When will the regulations concerning these systems be effective? What do I have to do to prepare as a pilot?

This presentation will give an overview of the FAA ADS-B ground system. This great seminar promises to provide a lot of valuable information. Bring your questions. Click on the link below and register TODAY.

Directions: Please preregister for this event.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
